Re: *United States v. Ariel Varsanyi*, No. 16 Cr. 463 (VB)

Dear Judge Briccetti:

The Government respectfully requests an extension of time—to July 7, 2020—to submit a letter setting forth the parties' positions with respect to (1) the modification of the defendant's sentence as proposed by the Court during the conference held on June 11, 2020, and (2) the recalculation of the defendant's remaining term of imprisonment. Per the Court's order during the June 11, 2020 conference, the submission setting forth the parties' positions is due to be filed by the Government on June 25, 2020. This is the first request for an extension of time with respect to this submission. The Government would like more time to confer with the defense regarding the foregoing and to further confer with the Bureau of Prisons regarding the computation of the defendant's remaining term of imprisonment.

I have conferred with Kerry Lawrence, counsel for the defendant, and Mr. Lawrence consents to this request.

Respectfully submitted,

AUDREY STRAUSS
Acting United States Attorney
